Dear Milagros,

Thank you for expressing your objection to the forced auto enrollment to Medicare Advantage. I always appreciate when constituents make their voices heard and engage my office on a piece of policy in a meaningful way.

I am very disappointed in the actions taken by this administration in New York City and the Municipal Labor Committee with regards to their push for this healthcare program against the wishes of over 250,000 retirees. While the State has no involvement in this decision by the City, I support you and fully object and denounce this forced switch to Medicare Advantage. I believe this is a slap in the face to you, and all the men and women who worked for our City. You have my full support in fighting this action and wherever I can help you, I will.

Thank you again for contacting me. Please do not hesitate to reach out with any further concerns or comments regarding this or any other issue by email at amatos@nyassembly.gov or by calling my office at 718-945-9550.

As always, it is a pleasure to serve you.

Sincerely,

Stacey Pheffer Amato
