Dear Ms. Dickinson,

Thank you for contacting me with your concerns regarding Medicare Advantage. I appreciate hearing your views.

One of my top priorities is making sure that my constituents have access to high quality, affordable healthcare. That's why I am a strong supporter of Medicare. Medicare is crucial to covering the cost of routine health care and emergency services for Americans over the age of 65.

Americans contribute to Medicare over the course of their working lives, and they are entitled to receive the benefits they earned. Please be assured that I will keep your feedback regarding Medicare Advantage in mind should the House of Representatives consider additional legislation related to this program during the 118th Congress.

Again, thank you for contacting me about your concerns over Medicare Advantage. Please continue to stay in touch and provide your important feedback and direction on the work of Congress. You can also stay up to date with my office by signing up for my [newsletter](#) or following me on [Facebook](#), [Twitter](#), and [Instagram](#).

Sincerely,
